STAY SAFE FLOOD ADVICE

- Don't put yourself at risk by entering flood water
 - ankle deep fast-flowing water can knock over an adult
 - water that's knee deep can move a car
- Wash your hands thoroughly if you touch floodwater
 - it may be contaminated
- Put your personal flood plan into action if you have one
- Tune into local radio
- Call 999 if you are in danger, or people have been injured
- Check on vulnerable neighbours
- Remain calm
